

IMMEDIATE RELEASE

Society of American Magicians September 27,2008

DISASTER RELIEF NEEDS HELP.

The Society of American Magicians Magic Endowment Fund has already supplied disaster assistance payments to recent victims of the Ike Hurricane in Texas. While payments have already been extended more money is still needed.

Many magicians still have no power, much water damage and need shelter, food and drinking water to carry them through. Many of them have lost their means of support due to school, park and other venue closures. We urge you donate whatever you can to this assistance effort. Your private tax exempt donations and those from your magic clubs will be gratefully accepted and acknowledged.

Please send checks payable to the Society of American Magicians Magic Endowment Fund and mail to Disaster Relief, SAM Magic Endowment Fund, 234 Towyn Court,- Ambler , PA 19002
